

Doodle Maths

Expectations:

KS1 and Y3: For 10 minutes **every** day complete your daily activity and achieve your target number of stars.

KS2: For 10 minutes **every** day complete your daily activity and achieve your target number of stars.
Weekly, complete your assigned task set by your teacher.

Doodle Maths are passionate about a little and often approach. The daily tasks are pitched perfectly to consolidate your child's learning and to stretch and challenge where needed!

Baseline:

To ensure your child's learning is pitched at the correct level, they need to complete **all** of the **Baseline** tasks first.

Enjoy Doodling!

Doodle Maths Competition

Back-to-School Competition

Enter your class into the Back-to-School Competition in DoodleMaths, DoodleEnglish and DoodleSpell for your chance to win a bundle of games worth up to £75!

[Register my class](#)

Encourage your children to be working in the **green zone** (by achieving their target number of stars) for 14 consecutive days from **Friday the 22nd of September until MIDNIGHT on Thursday the 5th of October**.

Why should my child take part?

By taking part, your children will be motivated to complete their **10 minutes** of daily Doodling, helping to fill gaps in their knowledge and prevent learning loss.

Plus, they can earn a [virtual back-to-school badge](#), an exciting reward designed to promote healthy learning habits and celebrate their hard work!

Over 60% of pupils who achieve a **7-day streak** in Doodle go on to achieve a 14-day streak – and if children use Doodle for 10 minutes a day for 30 days, that's an additional **five hours of learning** each month!
